SUMMARY

I am a Mid-Level Graphic Designer and UI/UX Designer with +3 years of professional experience, and I live in Cairo, Egypt. Throughout my career, I have worked on diverse projects across various areas of graphic design, delivering creative solutions that meet clients' needs. Design is not just my passion; it's my profession, and I take pride in combining creativity with functionality to produce impactful designs. ... I constantly seek to expand my skills and stay updated with the latest design trends, including integrating AI tools into my workflow to enhance creativity and efficiency.
